Vallone's hosted nearly 100 guests for former Houston Astros first basemen Lance Berkman's "Berkman and Baseball." The event presented by MetroNational raised more than \$4,000 for SpringSpirit Baseball, a local non-profit which supports under-served youth in the North Spring Branch area.

KPRC's Randy McIlvoy emceed the soiree and introduced Berkman. The six-time All-Star and 2011 World Series Champion spoke extensively about his Major League Baseball career and family. Meanwhile, attendees feasted on "The Tex," a six-ounce filet with two cheese enchiladas, corn ravioli, and trio of mini desserts.
