**Saturday, June 10 and Sunday, June 11 from 1- 5PM**

# Memorial Hermann 411:

## Goodbye Getting Lost at Memorial Hermann Memorial City — Hello 'Find My Way' App

It's no secret that medical complexes can cause even the most directionally savvy person to get lost – and when you're sick, that's the last thing you want!

Memorial Hermann Health System launched Memorial Hermann **Find My Way**, a digital wayfinding app aimed at improving the patient experience, while reducing late and missed appointments. The app gives patients and family members a navigation tool to plot their way from the parking garage to their doctor's office.

“At Memorial Hermann, we recognize that navigating health care can be frustrating. We've made it our mission to put the patient first, and that means removing barriers by directly addressing some of the most common complaints – particularly difficulties with wayfinding and parking,” said David Bradshaw, Executive Vice President and Chief Strategy Officer at Memorial Hermann.

**Memorial Hermann Find My Way** is currently available as a free download in the App Store for iOS and Google Play for Android.
