

Memorial City presents Snow & Ice Celebration

Photo courtesy of Memorial City

Houstonians can stay cool this Fourth of July with 20,000 pounds of snow, ice sculpture demonstrations, and frozen treats. Trade your sandcastles for snowmen, while playing in summer snow flurries on The Square. Families can enjoy this afternoon of family-friendly outdoor entertainment including live music, face painting, balloon art and patriotic eats before discovering one of Houston's many fireworks displays.
