Pumpkin Mania

You can always mark the changing of the seasons when Starbucks releases their pumpkin spice latte and other new flavors. Why not go on a seasonal tour at Memorial City?

Grab a pumpkin spice and a pumpkin scone at the mall Starbucks.

Hop over to the Westin's Starbucks for a **maple pecan latte** and a pumpkin cream cheese muffin.

At the Air Liquide Center's Starbucks, enjoy a **pumpkin spice chai tea latte** and caramelized apple loaf cake.

Over at Tout Suite in the mall, they've got their own take on the **pumpkin spice latte**, plus delicious pumpkin bread. The Cheesecake Factory has, you guessed it, **pumpkin cheesecake** on the menu as well.

The leader of the pumpkin pack is Three Brothers Bakery, with the **Pumpecapple Piecake** - three layers of cake that have pies baked inside of them - pumpkin, pecan and apple. The final product is iced all over with cream cheese icing and garnished with pecan pieces and topped with a generous caramel drizzle.

October is Breast Cancer Awareness Month, and physicians affiliated with Memorial Hermann Memorial City Medical Center say it's a great reminder for women to schedule their annual mammogram.

MD Anderson Breast Care at the Bobetta Lindig Breast Care Center is located in Medical Plaza 4 on the campus of Memorial Hermann Memorial City and offers advanced screening services like breast tomosynthesis, an imaging technology that combines data from a series of low-dose radiation, two-dimensional (2-D) images taken during a short scan to create a single three-dimensional (3-D) image of the breast.

The technology is known to offer a number of advantages over conventional 2-D digital mammography, including improved diagnostic and screening accuracy, fewer recalls, and greater radiologist confidence.

TO SCHEDULE AN APPOINTMENT AT MD ANDERSON BREAST CARE AT THE BOBETTA LINDIG BREAST CARE CENTER, CALL 877.40.MAMMO.
