

## Memorial Cityzen: Summer Never Ends

We're in that stretch of summer that seems to go on forever--and we don't mind a bit. Current moods require styles that are light and easy, but that doesn't mean they aren't chic. Zara was already our go-to for sophisticated comfort, and now that they're the latest Shop of the Week, we're strolling through their aisles to give our closets a glamorous mid-season refresh. Frozen treats and fresh, chef-inspired dishes are also helping us keep cool, while different opportunities to soak up all this incredible city has to offer are keeping us inspired. Scroll on to see our staff picks for delicious eats, self-care, and so much more!
