

Memorial Cityzen: Summer Fun in the City

These last days of July are especially sweet. We're excited about what August will bring--but we're not ready to let summer go just yet. Sephora is our next Shop of the Week, and taking time to stroll through that beauty wonderland is its own form of self-care. Memorial City is a foodie's paradise, so we're also savoring leisurely brunches, cocktail hours, and al fresco dinners featuring dishes from around the world. Our Back to School Drive kicks off next week, and providing one more way for everyone to support the youngest members of our community is a privilege we treasure. Keep scrolling to find School Drive details, staycation and style recommendations, and so much more!
